

# How to log into HamClubOnline

Everyone has an account in the system. All you need to do is set up a password to log in. The process consists of these steps. 1. Get a temporary password sent to you. 2. Log in with your temporary password and choose a new password. 3. Log in with your newly created password.

Go to <https://www.hamclubonline.com>.

Under the E-Mail / Password boxes you will see a link that says **Forgot Password?** - click on this link.

## HamClubOnline - Password Reset

Call sign or e-mail address:

This utility will reset the password by sending an e-mail with a new password to your account e-mail address on file.

If your e-mail address has changed and you do not have your original password, please contact support for more assistance.

You agree by making this request, that you are requesting HamClubOnline to communicate with you via e-mail to reset your account password and that HamClubOnline may disregard any previous requests for no e-mail communication.

All password reset activity is logged.
